

AGC2 SUPER 2-SPEED CLIPPER

- Powerful rotary motor clipper for professional heavy-duty use
- Features 2 speeds – normal for most cutting needs and 25% faster for heavy coats
- Super 2-Speed is 40% faster than AGC
- Extremely cool and quiet operation – does not require fans that can blow or get clogged with hair
- Locking switch button – will not accidentally shut off
- Shatter-proof housing
- Equipped with UltraEdge® Size #10 blade
- Detachable blades for easy changing and cleaning – fits all UltraEdge®, CeramicEdge®, ShowEdge® and Oster® A5 blades

Best used for:
Professional heavy-duty use
