### Customized Cages

If non of above is what you need, please provide dimensions and number of individual cages you require per unit

We will then do a quote for you. Several cages i.e. 3, 4, 5, 6, 8, ... can be put in one unit

### Polyurethane sealing

We can also get your cages sprayed with a polyurethane coating on bottom halve of every cage in a unit. This will seal all joints and prevent leakage to cages below.

### Please read this and above

We transport to cities/ towns on the N1 to a Isando depot with a local courier company where the cages must be collected by yourself.

This enable us to provide you a fairly affordable rate
